

Demonstration Cards

NOTE: These cards enable you to try the basic gameplay to War for Edadh or yourself. Please note that the Troop Cards are single sided whereas in the game Troop Cards are double sided. When the rules tell you to turn over your Troop Card you won't have to do this. On the cards that you download the 'attack' and defence' scores are down the bottom of the card and the 'Discard Value' is at the top right.

On page 5 of the rulebook it tells you to set up one side with 3 'ShieldMaidens' and 3 'Shieldsmen' Troop Cards. Instead you will set up with 6 'Shieldsmen' Troop Cards. You are also told to set up the second side with 3 'Spears' Troop Cards and 3 'Swords' Troop Cards. Instead you will set up with 6 'Spears' Troop Cards.
